GPU Speed Of Light Roofline Chart

High-level overview of the utilization for compute and memory resources of the GPU presented as a roofline chart.

Roofline Analysis The ratio of peak float (FP32) to double (FP64) performance on this device is 2:1. The workload achieved 0% of this device's FP32 peak performance and 0% of its FP64 peak performance. See the Profiling Guide for more details on roofline analysis.

GPU Speed Of Light Hierarchical Roofline Chart (Tensor Core)

High-level overview of the utilization for compute and memory resources of the GPU presented as a roofline chart.
